

# Reverse Email Append

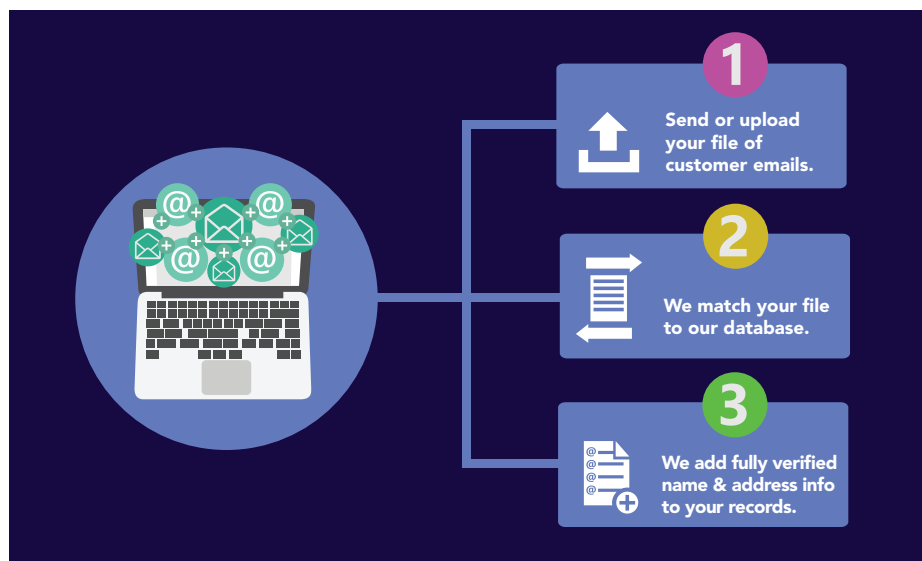

## Add Name & Postal Address to Your Email Records

Power your integrated marketing campaigns by adding accurate, verified name and postal address information to your email database with Reverse Email Append.

- Add direct mail to your telemarketing campaigns to maximize omni-channel success
- Map customer locations for better targeted marketing and business intelligence
- Create personalized communications that drive higher response rates and better ROI

## Here's How We Do It

Upload your list of emails and get full name, address, city, state and zip returned to you for more complete contact records.

## Privacy & Turn-Around Times

Our process is automated and secure. Records are normally appended and available for download within 1-2 business days or less.
