

## Trust In Every Address

Customers want to know that the businesses they're shopping at and interacting with are reliable and trustworthy. After all, they're entrusting you with their personal information and paying for quick, accurate delivery of products they need.

Our Melissa Verified logo is the ultimate trust badge, reassuring your customers of your excellent data quality. You'll see higher ROI, lower costs associated with undelivered mail and better customer satisfaction. Display it on your online shopping carts, web forms and anywhere else you capture customer information.
